Construction of Valdez Road in Precinct 1 to bring access and mobility to Monte Alto

MONTE ALTO – Hidalgo County residents will soon see improved transportation access and mobility along one of Monte Alto's main roadways. Precinct 1 Commissioner David L. Fuentes will host a groundbreaking for the construction of Valdez Road in Monte Alto. The ceremony will be held west of Blue Devil Drive on Valdez Road at 9 a.m., Monday, April 30.

"This road will connect several subdivisions in the western part of Monte Alto to the schools located on the eastern side creating a smoother and safer route for school buses and commuters," said Fuentes.

The project is expected to be completed within 90 days, weather permitting.

This project is one of many recent improvements made in Monte Alto, others include the overlay of Jesus Bazan Road, completed in late March, the first-ever food drive in partnership with the Food Bank of the Rio Grande Valley, the paving of the Monte Alto High School gym parking lot, and renovations to Monte Alto Veterans Park.

The event is open to the public.
