Hi, Edgar, I sent out a news advisory about the closure on Friday. In addition to the news released, I also sent it to all department heads and elected officials via email on Friday as well. We can include a reminder that the office is closed in the news release we're sending out today.
Best,

NEWS RELEASE

FOR IMMEDIATE RELEASE

Friday, June 22, 2018

The Tax Office Substation in Weslaco is closed due to flooding

EDINBURG – Hidalgo County Tax Assessor/Collector Pablo "Paul" Villarreal has closed the Weslaco substation due to flooding. Residents may go to the main office or other substations for service.

Hi Ms. Sullivan,

Just following up on the press release... I know you're extremely busy but Paul asked me to also let you know that if you could also advise everyone that our Weslaco Sub-station will be closed 4-6 weeks because of the flooding and damage it caused to our office. Paul's cell number is 956-457-7451 and mine is 956-393-0281 should you have any other questions.

Thanks!

Edgar Jaramillo

Subject: press release

Ms. Sullivan,

Good afternoon! Mr. Paul Villarreal Jr. was wondering if you could put this out as a press release so that taxpayers are aware of the penalties for July through the media.

Any questions, please feel free to call me directly of Mr. Villarreal.

Thanks!

Edgar Jaramillo
Executive Assistant
Hidalgo County Tax Office
956-318-2935
