STATEMENT FROM HIDALGO COUNTY JUDGE J.D. SALINAS III:

The Hidalgo County Commissioners' Court is committed to upholding the integrity of the elections department, and when the time is right, the best actions will be taken to ensure that smooth operations and the highest customer service continue for the voters of Hidalgo County.

However, the members of the court feel it would be premature to speculate on what could happen in the future. The five-member elections board, the commissioners' court, its executive officer, and the county's legal counsel have many factors to take into account if or when a joint decision is made.

We ask for the public to trust in the judicial system and in the decision-making capabilities of the elected office holders to uphold our shared values of open and efficient government.
