Hidalgo County Pct. 4 announces North Alamo Realignment Project Groundbreaking

EDINBURG – Hidalgo County Pct. 4 Commissioner Ellie Torres will host a Groundbreaking Ceremony for the North Alamo Realignment Project in Edinburg. The ceremony will be held at 10 a.m. on Friday, August 6 at FM 1925 (Monte Cristo Rd) and FM 907 (Alamo Rd) in Edinburg. "I am happy to begin this highly anticipated project that will support the residents of the area and afford safer routes to school, work and other necessities," said Commissioner Torres.

The project will improve transportation access and mobility along North Alamo Rd by constructing a new roadway for approximately 0.5 miles from North FM 1925 (Monte Cristo Rd.) to North Alamo Rd. This project is part of the overall roadway improvements to the FM 1925 (Monte Cristo Rd) corridor that run through Precinct 4. The project scope consists of realigning a local roadway to improve traffic flow, safety and connectivity to a growing and highly populated area.

Recently, the awarded vendor Texas Cordia was given notice to proceed, and construction is scheduled to commence on Monday, August 9, 2021. This project is under the Construction Engineering Inspection (CEI) management by Millennium Engineers Group Inc. This project is in collaboration with the Texas Department of Transportation and the Hidalgo County Drainage District No 1.

All media and the public are invited to attend or join us LIVE on social media. For more information, please call the Precinct 4 Administration Office at (956) 383-3112.
