Groundbreaking Ceremony

Construction set for the Linn-San Manuel Emergency Services Facility

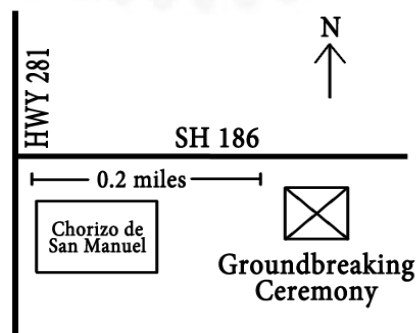

SAN MANUEL – Hidalgo County Precinct 4 Commissioner Joseph Palacios will host a groundbreaking ceremony for the new Linn-San Manuel Emergency Services Facility at 9 a.m. Wednesday, June 11 at the future site of the new Emergency Services Facility on SH 186, just east of Hwy 281.

Once constructed, the Emergency Services Facility will provide the tools and space needed to help first responders serve area residents, including a fire station with three bays and an ambulance service, which will be offered by the Emergency Service District #3. The building will also include office space for various local and state departments, providing them with a working area where they can prepare reports and have access to computers while responding to situations in the vicinity. The Linn-San Manuel Emergency Service Facility will also be used as an Emergency Operating Center when natural disasters occur, such as hurricanes, wildfires and power outages. There will also be a community room where local residents can gather for meetings. The project is estimated to cost approximately \$1.3 million. Funds for this project are being provided by Hidalgo County Precinct 4, Emergency Service District # 3 and the Linn-San Manuel Improvement Corporation.

All media and the public are invited to attend.
