NEWS RELEASE**December 2, 2014****Property taxes are due, whether or not you received the bill**

EDINBURG – After the recent mailing of the 2014 Property Tax Statements, the Tax Office has received more than 9,000 pieces of returned mail by the U.S. Post Office as “undeliverable,” says Hidalgo County Tax Assessor/Collector Paul Villarreal Jr.

“If you have not received your 2014 Tax Statement, it is very important you contact our office as soon as possible and provide us with your correct address,” said Villarreal. “The deadline to pay your taxes without penalty and interest is January 31, failure to receive your statement does not affect the validity of the tax, penalty and interest.”

Hidalgo County residents may call (956) 318-2157 or visit www.hidalgocountytax.org for more information or to pay by Credit Card or ECheck.
