EDINBURG – Precinct 4 Commissioner Joseph Palacios will host a groundbreaking ceremony for a new park at 9 a.m., Wednesday, Sept. 30 next to Brewster Elementary School in Edinburg.

The new park will provide recreational space for residents of the Linn-San Manuel area, including Brewster Elementary School and the Boys and Girls Club.

“Open spaces and parks are important to the quality of life in any community,” said Palacios. “They ensure the health of families and our youth, help increase property values, and are important to the preservation of wildlife.”

Some of the amenities will include a pavilion with basketball courts; baseball and softball fields, including dugouts and bleachers; three playground systems; a concession stand; and a walking trail. Sitting on a 10-acre tract, the project is estimated to cost \$1.2 million and is funded by Precinct 4, the Hidalgo County Urban County Program and Edinburg Consolidated Independent School District.
