DISTRICT CLERK HOSTS PASSPORT DAY IN THE USA

Edinburg, Texas – On Friday, April 25, the Hidalgo County District Clerk Office will host *Passport Day in the USA* (see attached flyer), an event hosted by Passport Acceptance Facilities nationwide in an effort to help promote and facilitate passport services to/for its constituents.

“There’s nothing worse than having booked travel abroad and realizing that your current one is expired,” said district clerk Laura Hinojosa. “With summer quickly approaching, this event is simply another way for our office to make it easy for travelers, whether it be for business or leisure, to apply for a first-time passport or renew their old one.”

The district clerk office has extended its passport processing hours on this day and there is no appointment required. Both routine and expedited processing service may be requested. To help reduce waiting time, applicants are encouraged to complete their applications online at www.co.hidalgo.tx.us/districtclerk, and bring their unsigned forms to the district clerk office for processing.

Applicants may also logon to www.travel.state.gov for more passport related information.
