

GENERAL INSTRUCTIONS

FOR APPLICATION FOR DEPENDENCY AND INDEMNITY COMPENSATION, DEATH PENSION AND ACCRUED BENEFITS BY A SURVIVING SPOUSE OR CHILD (INCLUDING DEATH COMPENSATION IF APPLICABLE)

VA FORM 21-534

Note: Read very carefully, detach, and keep these instructions for your reference.

A. How can I contact VA if I have questions?

If you have any questions about this form, how to fill it out, or about VA benefits, contact your nearest VA regional office. You can locate the address of the nearest regional office in your telephone book blue pages under "United States Government, Veterans" or call 1-800-827-1000 (Hearing Impaired TDD line 1-800-829-4833). You may also contact VA by Internet at <https://iris.va.gov>.

B. What is the purpose of VA Form 21-534?

Use VA Form 21-534 to apply for:

- VA benefits you may be entitled to receive as a surviving spouse or child of a deceased veteran, and
- any money VA owes the veteran but did not pay prior to his/her death (accrued benefits).

If you apply for any one of these benefits, the law requires that we also consider you for the others.

C. What is the purpose of the attached SSA-24 form?

You can apply for Social Security (SS) benefits by using the SSA-24 form attached to this VA Form (see pages 9 and 10). You don't have to apply if you don't want to or have already done so. If you do want to apply, fill it out and leave it attached. We will send it to the Social Security Administration for you. They will then contact you.

D. What are dependency and indemnity compensation (DIC) and death pension benefits, and how does VA decide what I will or will not receive?

1. Dependency and indemnity compensation may be payable when:

- a veteran's death occurred in service, or
- a veteran dies of a service-connected disability, or
- in certain circumstances if a veteran rated totally disabled from service-connected disability dies from non-service-connected conditions.

2. Death pension may be payable when:

- the death of a veteran with wartime service is not due to service, and
- income is within applicable limits.

VA pays pension based on the amount of family income and the number of dependent children. This is based on law. VA must include as income all sources that Federal law specifies. If there is no surviving spouse, pension may be payable on behalf of a child or children.

Unless a claim for dependency and indemnity compensation or death pension is filed within one year from the date of the veteran's death, that benefit is not payable from a date earlier than the date the claim is received in the VA.

If it is determined that you are entitled to DIC and death pension, we will pay you whichever benefit entitles you to the most money. Benefit rates and income limits are frequently changed, so it is not possible to keep this information current in these instructions. You can find out what the current income limitations and rates of benefits are by contacting your nearest VA regional office.

E. How do I apply for aid and attendance allowance and/or housebound benefits?

VA may pay a higher rate of DIC or pension to a surviving spouse who is blind, a patient in a nursing home, otherwise needs regular aid and attendance, or who is permanently confined to his or her home because of a disability. If you wish to apply for this benefit, check "Yes" for Item 31.

F. How do I complete my application?

Print all answers clearly. If an answer is "none" or "0," write that. Your answer to every question is important to help us complete your claim. If you do not know the answer, write "unknown." For additional space, use Item 48, "Remarks," or attach a separate sheet, indicating the item number to which the answers apply. Make sure you sign and date this application (Items 44 and 45).

Note: If the claim is being made on behalf of a minor or incompetent person, the application form should be completed and filed by the legal guardian. If no legal guardian has been appointed, it may be completed and filed by some person acting on behalf of the minor or incompetent person.

G. What do I do when I have completed my application?

When you have completed this application mail it or take it to a VA regional office. Be sure to attach any materials that support and explain your claim. Also, make a photocopy of your application and everything that you submit to VA before mailing it.

H. How can I assign someone to act as my representative?

A representative can be an accredited member of an accredited organization or other service organization that the Secretary of Veterans Affairs recognizes, an agent recognized by VA, or a licensed lawyer. Agents and attorneys can charge you for services that you get from them only after the Board of Veteran's Appeals (BVA) gives you their final decision about your application. That means you can use an attorney during any stage of your application for benefits. However, the agent or attorney cannot charge you for services unless you are trying to resolve a dispute with VA after BVA has made a decision about your claim.

If you want to use a representative to help you with your application, contact the nearest VA office. Depending on the type of representative you want to designate, we will send you one of the following forms:

PRIVACY ACT INFORMATION: The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22 Compensation, Pension, Education, and Rehabilitation Records - VA, and published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. Giving us your SSN account information is mandatory. Applicants are required to provide their SSN under Title 38 USC 5101 (c) (1). The VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information that you furnish may be utilized in computer matching programs with other Federal or state agencies for the purpose of determining your eligibility to receive VA benefits, as well as to collect any amount owed to the United States by virtue of your participation in any benefit program administered by the Department of Veterans Affairs.

RESPONDENT BURDEN: We need this information to determine eligibility for death benefits and accrued benefits under 38 U.S.C. 1310 through 1314, 1532 through 1543, and 5121. Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 75 minutes to review the instructions, find the information and complete this form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.whitehouse.gov/library/omb/OMBINVC.html#VA. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.

VA Form 21-22, Appointment of Veterans Service Organization as Claimant's Representative, or VA Form 22A, Appointment of Individual as Claimant's Representative. You may also download these forms at <http://www.va.gov/vaforms/>. If you have already designated a representative, no further action is required on your part.

I. What if I believe that VA has made an error in processing or deciding my benefits?

You can ask for a personal hearing at any time during the processing of your claim. That means you can ask for the hearing while VA is processing your claim or after VA has made a decision. You should contact the nearest VA office and tell them that you want a personal hearing on your case. Someone in the local VA office will arrange a time and place for your hearing. At this hearing, you can bring witness. VA will record whatever you and your witness say during the hearing and include it in the official record. VA will furnish the hearing room and officials, and prepare a transcript of the hearing. VA cannot pay your expenses or the expenses of anyone you want to bring with you to the hearing.

However, net worth does not include the house you live in or a reasonable area of land it sits on. Net worth also does not include the value of personal things you use everyday like your vehicle, clothing, and furniture. Report the total amounts before you take out deductions for taxes, insurance, etc. Do not report the same information in both tables. This application form, SSA-24, is an Application for Survivors Benefits Payable under Title II of the Social Security Act, as amended. Under authority of section 202(o) of the Social Security Act, the application requests information in order to determine eligibility to social security benefits.

You do not have to complete this application; there are no penalties under the law if you do not complete part or all of the SSA-24. However, it is usually to your advantage to provide the information because not providing it could prevent an accurate and timely decision on your claim or could result in the loss of some benefits or insurance coverage.

If you do wish to supply the information requested on the SSA-24, this information will be forwarded to the Social Security Administration and used by them to determine whether social security benefits may be payable to surviving dependent(s) of the veteran. Social Security will then contact you regarding any social security benefits payable based on information given on this form.

Please understand that Social Security may, in certain instances, disclose the information on this form to another Federal, State or local agency or individual without your written consent. This would be done in order to:

- enable a third party or an agency to assist Social Security in establishing an individual's right to benefits or coverage;
- comply with Federal laws which require or authorize the release of information from social security records; and
- facilitate statistical research and audit activities necessary to assure the integrity and improvement of the social security programs.

If you should have any question about entitlement to social security benefits or the information you have provided on this form, please contact your local social security office.
