County to host clinic in Weslaco to administer second dose of COVID-19 vaccine

WESLACO – Hidalgo County health officials, in conjunction with the City of Weslaco and the Weslaco Independent School District, will be hosting a COVID-19 community vaccination clinic Thursday, Feb. 18 to administer the second dose of the Moderna vaccine.

The second dose will be administered solely to those who received their first dose on Wednesday, Jan. 20, 2021 in Weslaco. Eligible residents should arrive at the same time designated on their original wristband to avoid traffic issues.

Eligible residents are required to drive in through the E. 8th Street entrance at Isaac Rodriguez Park in Weslaco for pre-clearance. After completing the pre-clearance process, eligible residents will then be directed to Knapp Medical Center where they will be administered their second dose. All eligible residents must enter through the park's 8th Street entrance to avoid interrupting ongoing healthcare services at Knapp Medical Center.

To provide for an efficient operation, eligible residents should be prepared to present their vaccination card and identification.

Due to the inclement weather and forecasted low temperatures, the vaccine will be administered indoors with curbside vaccinations for those needing special accommodations.

###

Hidalgo County is home to one of the fastest growing regions in the nation. We provide health and justice to the over 800,000 residents of our county. We strive to be accessible and responsive to our citizens by providing excellent public service through the values of leadership, transparency, fairness, collaboration, respect and fiscal responsibility.
