Executive Summary

Hidalgo County is committed to providing optimal services to the residents of Hidalgo County. In order to provide the best service to residents, it is important that all employees perform efficiently as they are our primary resource for the delivery of community services. To ensure maximum effort and inspire dedication within our workforce, Hidalgo County instituted a Merit Pay System in 2019. The results are a motivated workforce that is conscious of their efforts and the importance of their work.

As with all new systems, there will be a continuous effort to enhance and build on the system already in place. This year, the program's third year, the Department of Human Resources has implemented various enhancements meant to make performance assessments more efficient and effective. For example: Hidalgo County has migrated to a web based performance evaluation system that allows supervisors to rate all county employees.

This document will provide you an overview of Hidalgo County's Performance Evaluation Process including:

- Areas of Assessment
- Merit Pay – Step Increase Rules
- Rating scale
- Timeline
- Process to be followed

We look forward to a successful 2021 Performance Evaluation Process that further motivates and guides our most valuable asset, our workforce!

Sincerely,

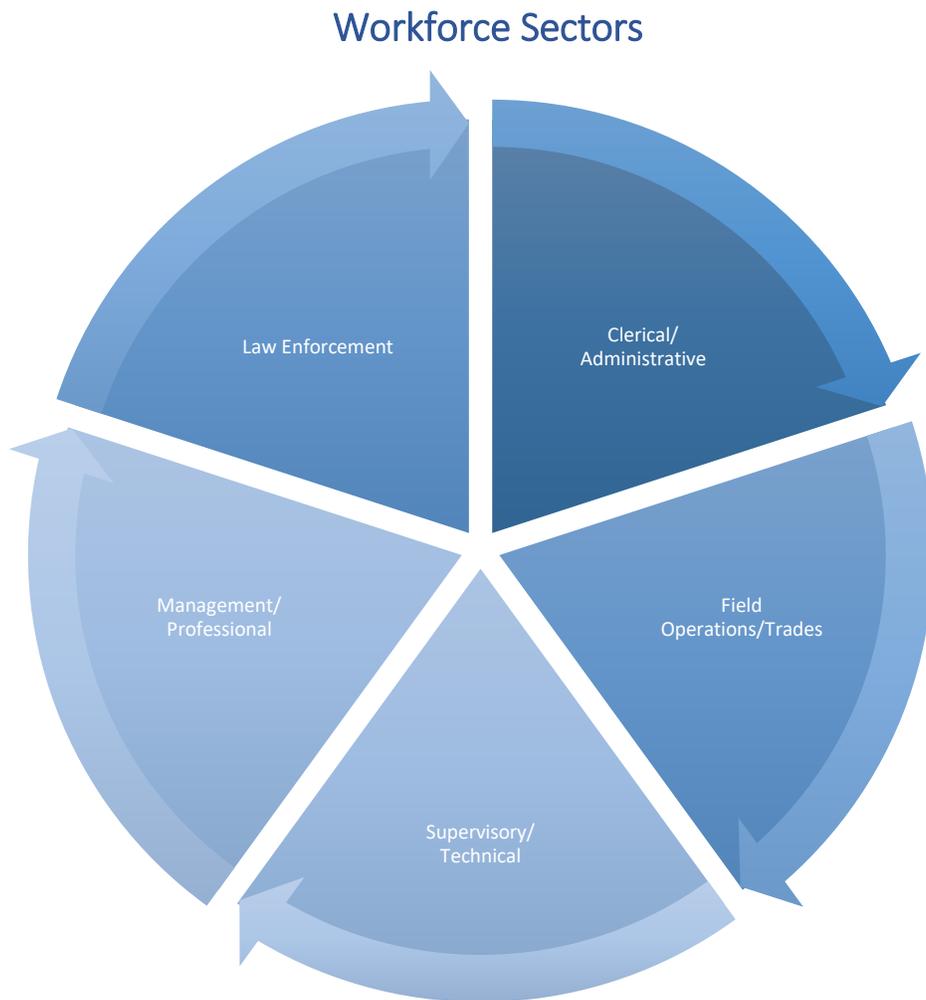

The HR Team

Assessments

In 2019 Hidalgo County implemented a Merit Pay System that rewards employees' for their hard work and commitment to the residents of Hidalgo County. This year, the third year of our Merit Pay System, Hidalgo County will be assessing employees' performance, among other criteria, to determine which employees are eligible for a one step increase in accordance with the Hidalgo County Classification and Compensation Plan.

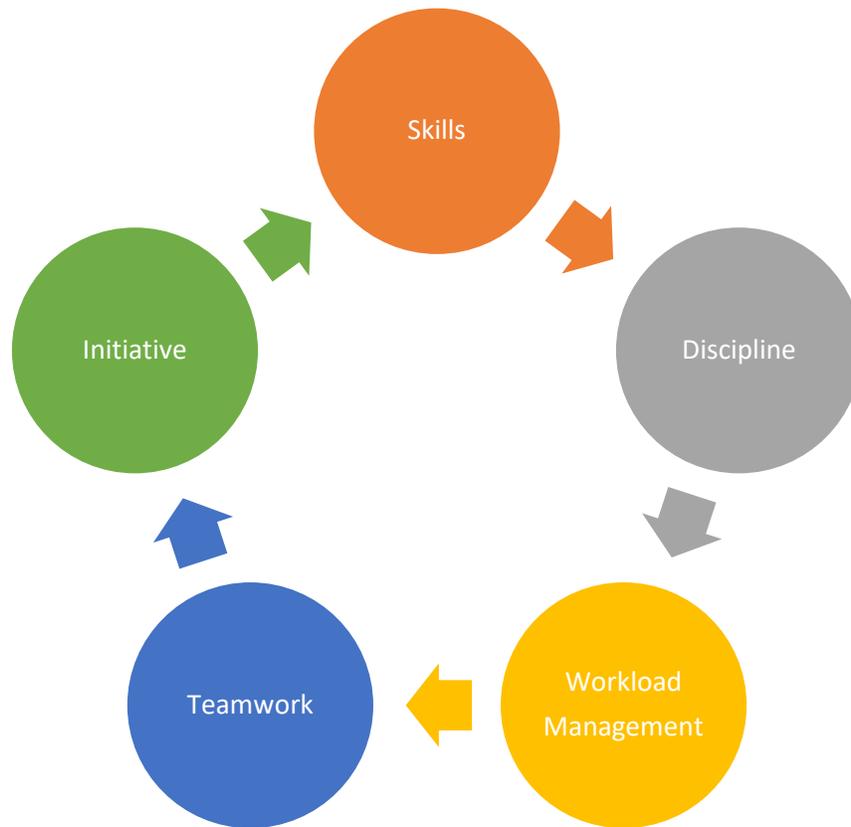

A one step increase constitutes a 3.5% increase of the employee's salary. In addition to performance, the plan assesses the time the employee has been in the current Step and adverse disciplinary actions.

Hidalgo County has five evaluation assessments based on the five workforce sectors included below:

Each performance evaluation form assesses core competencies needed for successful job performance. The core competencies and evaluation statements differ from one another based on the nature of the work performed. Step Increase Rules

2021 Performance Evaluations for employees eligible for step increases must be completed before Friday, December 17, 2021 to ensure eligible employees receive the step increase the first full pay period of Fiscal Year 2022.

The following are the step increase requirements in accordance with the Hidalgo County Classification and Compensation Plan:

1. The employee must be a regular full time employee and must have completed at least twelve (12) consecutive months of service.
2. The employee's salary is below the maximum salary step (step 11) of the employee's position grade.
3. Within the last 12 months (Look Back Period), the employee has not received a promotion, or any type of salary increase.
4. The employee must complete a required waiting period (time in step) in their assigned step. The time in step will be reset when the employee is promoted or is moved to a new step by policy or Commissioners' Court action.
5. The employee must not have received any serious personnel actions (adverse personnel actions) such as suspension without pay, demotion, or disciplinary probation within the last twelve months (Look Back Period).
6. The employee must have an Annual Performance Evaluation rating (overall evaluation) of "Exceeds Expectations" or better as documented by the employee's immediate supervisor and certified by the department head. Evaluations must assess the 12 months preceding the evaluation date.

Look Back Period for Time in Step Criteria, Adverse Personnel Action Criteria, and Promotion/Salary Increase Criteria - The eligibility criteria for the step increase includes using a twelve (12) month period to determine the "Time in Step" criteria, the "Adverse Personnel Action" criteria, and the "Promotion/Salary Increase" criteria. The "Look Back Period" for the 2021 potential step increase is 8/01/2020 - 7/31/2021.

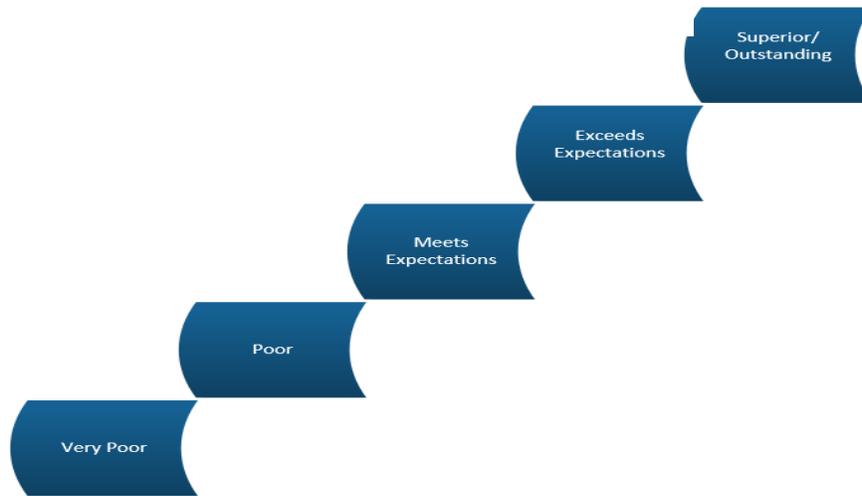

Adverse Personnel Actions – Adverse personnel actions consist of the following disciplinary actions:

- Suspension
- Probationary Period due to disciplinary action
- Demotion

Performance Evaluation – Performance evaluations for step increase eligible employees must be submitted by no later than 12/17/2021 in order for the step increase to be effective on the first full pay period of 2022. The final submission date is 01/28/2022, and the effective date for late submittals will be the next full pay period after submission and processing.

The evaluation period consists of the 12 month period preceding the evaluation date. The ratings described in the next page will be the method of assessing an employee's performance over the past 12 month period. Supervisory staff are required to review evaluations with employees and explain the employee's performance rating and expectations. The overall performance evaluation rating required for a step increase is an "Exceeds Expectations" rating (80+ points).

RATING SCALE

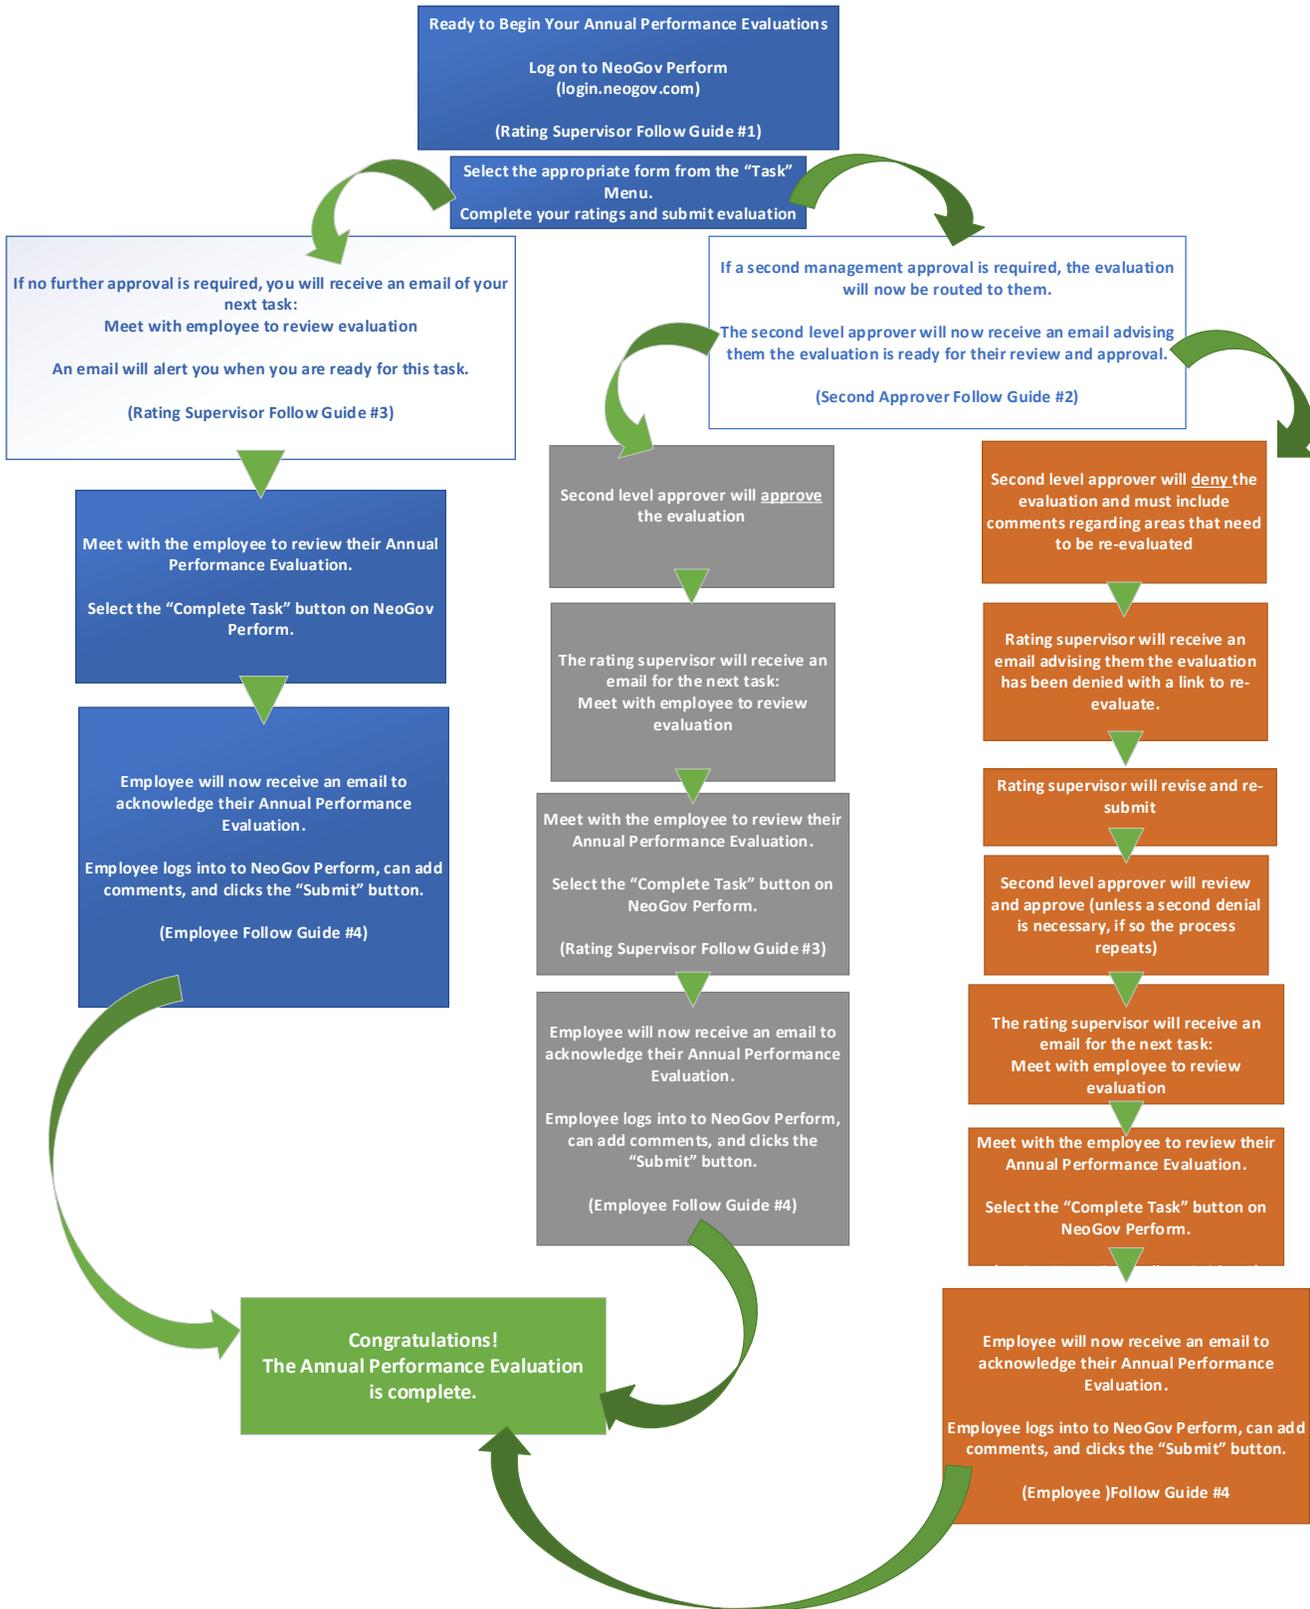

- The list of employees meeting the above listed criteria will be sent to all departments by October 08, 2021, and a performance evaluation must be submitted for step eligible employees by December 17, 2021.
- Evaluations must be electronically finalized using the NeoGov Perform Program. Once submitted, evaluations cannot be revised or changed.
